

# SPARTA FIRE DEPARTMENT

## FREE SMOKE DETECTORS!

### SMOKE ALARM INSTALLATION PROGRAM

- You must live in and own the home where the detectors are to be placed.
- You must allow the Sparta Fire Department to install the detectors.
- You must allow the Sparta Fire Department to conduct a home fire safety check.

The Sparta Fire Department will install as many smoke detectors in the home as needed.

If you think you may need new smoke detectors, call us and we can check them for you!

- **Smoke detectors should be replaced every 10 years.**

Please call the Sparta fire Department and leave a message.
